SUBJECT: NORWEGIANS WILL CONSIDER UN REFORM POINTS

REF: STATE 31831

(SBU) On March 14 we delivered reftel points to Lars Petter Henie, senior adviser in the MFA's UN section. The Norwegians will review the points, which Henie believes may already have been presented to his country's New York delegation. The Norwegians are also carefully reviewing EU points relating to this issue. With respect to UN reform, he emphasized that Norway is in favor of the rule of law at the UN (and the Secretariat) and supports adequate safeguards regarding due process and accountability, all while ensuring the justice system's professionalism.
